Change in the Board of Directors of Oxxynova GmbH

Hereby we would like to inform about a change in the management of Oxxynova GmbH.

After more than 37 years of service, the Technical Director of Oxxynova, Mr. Henning Buuk, will go into well-deserved retirement on November 1st, 2021. We would like to take this opportunity to thank him for his extraordinarily commitment over the years to the benefit of the company.

On this date, our long-standing Head of the Technology Department, Mr. Raimer Schaper, will in addition take over the responsibility as Technical Director and as Site Manager of Oxxynova. With his knowledge and extensive experience, a continuous transition is guaranteed.

Dr. Klaus Puell remains Chairman of the Board of Directors.

Oxxynova GmbH will continue to be a reliable partner at your side and will also be available for you in the future with innovative solutions and competent services of the highest quality.
